

Activities of Professor Dr. Syed Tufail Hussain Sherazi in Konya, Turkey

Professor Dr. Syed Tufail Hussain Sherazi was selected as visiting scientists by TUBITAK, Turkey under TUBITAK-2221 Fellowship program on invitation of Professor Dr. Huseyin Kara, Dean of Necmettin Erbakan University, Konya, Turkey. Dr. Sherazi started research work in Selcuk University, Konya and as well as Necmettin Erbakan University, Konya, Turkey from May 2, 2014. Selection of Dr. Sherazi as a visiting Scientist is a great honor for him, his institution and Pakistan as well. On May 20, 2014, Rector of Necmettin Erbakan University has invited in his office to Dr. Sherazi with Professor Dr. Huseyin Kara, Dean of Necmettin Erbakan University, Konya, Turkey. During the meeting it was decided that academic collaboration and cultural relationship will further strengthen between National Centre of Excellence in Analytical Chemistry, University of Sindh, Jamshoro, Pakistan and Necmettin Erbakan University, Konya, Turkey. It was also decided in the meeting that at least one joint research project, with involvement of an industry, will be submitted during the stay of Professor Dr. Tufail Hussain Sherazi. A gift of Ajrak was garbed by Dr. Sherazi on the shoulder of Prof. Dr. Muzaffer Şeker, Rector of Necmettin Erbakan University, Konya, Turkey. Ajrak is a culture of Sindh, Pakistan which is considered to be a symbol of love, respect, honor, appreciation and heart to heart linkage.
